Rejoicing in the arrival of Baby Jennings

We are excited to introduce to you Maryann Rose Jennings. She was born on November 16, 2011. We praise the Lord for this precious gift. Both Joanna and Maryann are doing great and I am one happy dad! ☺ Please pray that she will trust Christ as Savior at an early age and that she will serve Him all of her life.

Recent opportunities

During the past couple of months, I had the opportunity to preach twice in chapel. This greatly helps to improve my French vocabulary and oral expression. Also, I had the privilege of presenting our future work in Niger to our church here in France. I dressed up like a Tuareg and showed various pictures of life in the Sahara desert. The church seemed to get a better understanding of our burden for the Tuareg people even though my French wasn't flawless (to put it mildly). At one point I told the people we would live in a house made out of butter (buerre) instead of a house made out of mud (boue)! ☺ How thankful we are for our Christian friends who are patient and understanding with our mistakes.

Upcoming outreach

Around the second week of December, I and several others will be distributing Christmas gospel tracts to the homeless in Paris along with packets of instant coffee and cookies. Please pray that the Lord will help us to explain the Gospel clearly in French. Most importantly, pray that someone will call upon the One who came "to seek and to save that which was lost" (Luke 19:10).

Thankful for each of you

A special thanks to each of you who read and pray over our prayer letters. You can be assured that it really makes a difference. Though during the holiday season it is more difficult to be away from home, the prayers of God's people strengthen and encourage us to keep pressing forward for the Lord. Thanks for holding the ropes!
