

Serving our Generation ... Reaching the Next

B. CLAYTON SHUMPERT, INTERNATIONAL REPRESENTATIVE

JANUARY PRAYER LETTER

Dear Friends,

On Dec. 27, 2011 I had total hip-joint replacement surgery. Many of you have prayed for me and for Joan. I have felt those prayers. I was in the hospital six days and I'm having therapy at home now. Everything seems to be on schedule. The pain has been manageable. Joan and our daughters have been so good to help me. Our grandchildren (the ones who live here) have helped. All are very willing and I am grateful.

We need men to go to North Pole, Alaska to help Pioneer Baptist Church. Two groups are needed:

April 19-28, 2012—hang drywall

May 7-17, 2012—finish drywall

Airfare is \$779 to \$979. Lodging is \$69 per room per night plus tax. With two men in a room it will be about \$40 per man per night. Meals are provided. The church will provide a van for transportation. Please call me if you are interested. The church is near Eilson Air Force Base. We need to hear from you, especially if you have enough skill to do this.

You may remember that our last prayer letter talked about building a church in Nicaragua for the Indians of Mesquito country. Dr. Bob Dayton reports that land has been purchased; a Bible College graduate is in place as the pastor. They have a small congregation already. Hopefully construction will begin soon. Many thanks to those who gave money for this ministry. I will keep you posted about Pacific Baptist Church in Long Beach, CA. As soon as I get word I'll pass it on to you.

This surgery will keep me confined for three months or so. As soon as I can get back on my feet, I'll carry on! We have been over-joyed again and again to realize the good, godly, and gracious supporters God has given us. THANK YOU for standing with us in prayer and financial support. We have good friends, good prayer warriors, and faithful supporters. Joan and I are MOST GRATEFUL to you! Please accept our heart-felt gratitude. I remain yours.....

In the bonds of Calvary,

B. Clayton Shumpert
